

Process Automation

Markets 2010

Table of Contents

1	EXECUTIVE SUMMARY	1.1
1.1	Markets	1.3
1.2	Strategies	1.7
1.3	Technologies	1.9
2	AIM AND SCOPE, DEFINITIONS, EXCLUSIONS	2.1
2.1	Aim and Scope	2.3
2.2	Definitions and Exclusions	2.4
2.2.1	Country Definitions and their Attribution to Regions	2.4
2.2.2	Production Value, Shipments and Expenditures	2.5
2.2.3	Capital Expenditures	2.7
2.2.4	Production Investments	2.8
2.2.5	Project costs	2.11
2.2.6	Operating expenses	2.11
2.2.7	Segmentation of Automation Markets	2.12
3	METHODOLOGY, ASSUMPTIONS AND SOURCES OF INFORMATION)	3.1
3.1	Methodology	3.3
3.2	Important Assumptions	3.5
3.3	Sources of Information	3.8
4	GLOBAL DEVELOPMENT OF PRODUCTION VALUES BY COUNTRIES AND INDUSTRIES UNTIL 2010	4.1
4.1	Worldwide Development of Production Values in the Process Industries until 2010 - Overview by Countries	4.3
4.2	Worldwide Development of Production Values in the Process Industries until 2010 - Overview by Industries	4.4

5	GLOBAL DEVELOPMENT OF CAPITAL EXPENDITURES AND PRODUCTION INVESTMENTS BY COUNTRIES AND INDUSTRIES UNTIL 2010	5.1
5.1	Worldwide Development of Capital Expenditures in the Process Industries until 2010 - Overview by Countries	5.3
5.2	Worldwide Development of Capital Expenditures in the Process Industries until 2010 - Overview by Industries	5.3
5.3	Worldwide Development of Production Investments in the Process Industries until 2010 - Overview by Countries	5.4
5.4	Worldwide Development of Production Investments in the Process Industries until 2010 - Overview by Industries	5.4
6	GLOBAL MARKET DEVELOPMENT OF EXTERNAL & INTERNAL AUTOMATION DEMAND BY COUNTRIES UNTIL 2010	6.1
6.1	Worldwide Market Development of Automation by Countries until 2010 - Project and Operation Phases/External Demand	6.3
6.2	Worldwide Market Development of Automation by Countries until 2010 - Project and Operation Phases/External & Internal Demand	6.4
7	GLOBAL MARKET DEVELOPMENT OF AUTOMATION PRODUCTS AND SERVICES BY INDUSTRIES UNTIL 2010 IN DETAIL	7.1
7.1	Worldwide Market Development of Automation Products and External Services by Process Industries until 2010 in a General Overview - Project and Operation Phases/External Demand	7.3
7.1.1	Worldwide Market Development of Automation by Process Industries until 2010: Project versus Operation Phase	7.3

7.1.2	Worldwide Market Development of Automation by Process Industries until 2010: Core Processes versus Filling/Packaging, Storage, Utility and Environmentally Related Processes	7.4
7.1.3	Worldwide Market Development of Automation by Process Industries until 2010: Hardware versus Software and Services	7.5
7.2	Worldwide Market Development of Automation Hardware by Process Industry Sectors until 2010	7.6
7.2.1	General Overview	7.6
7.2.2	Control Level Hardware	7.6
	7.2.2.1 General Overview	7.6
	7.2.2.2 HMI Hardware	7.7
	7.2.2.3 Control Hardware	7.7
7.2.3	Instrumentation Level Hardware	7.8
	7.2.3.1 General Overview	7.8
	7.2.3.2 Sensors and Measuring Instruments	7.8
	7.2.3.3 Process Analyzers	7.8
	7.2.3.4 Weighing Systems	7.9
	7.2.3.5 Actuators	7.9
7.2.4	Communication Hardware	7.9
7.3	Worldwide Market Development of Automation Software by Process Industry Sectors until 2010	7.10
7.3.1	General Overview	7.10
7.3.2	Embedded Software	7.10
7.3.3	Standard Software	7.10
7.4	Worldwide Market Development of Automation Services (External Demand) by Process Industries until 2010	7.11
7.4.1	General Overview	7.11
7.4.2	Worldwide Market Development of Automation Services (External Demand) for the Project Phase by Process Industries until 2010	7.11
	7.4.2.1 Overview	7.11
	7.4.2.2 Engineering	7.11
	7.4.2.3 Installation and Assembly	7.11
	7.4.2.4 Start-Up and Commissioning	7.11
7.4.3	Worldwide Market Development for Automation Services of the Operation Phase by Process Industries until 2010	7.13
	7.4.3.1 Overview	7.13
	7.4.3.2 Training	7.13
	7.4.3.3 Maintenance	7.13

7.4.3.4	Adaptations	7.14
7.4.3.5	Demolition	7.14
8	MARKET DEVELOPMENT OF AUTOMATION PRODUCTS AND SERVICES BY REGIONS AND INDUSTRIES UNTIL 2010 - OVERVIEW -	8.1
8.1	Western European Market Development of Automation Products and External Services by Process Industries until 2010 - Project and Operation Phase/External Demand	8.3
8.1.1	General Overview	8.3
8.1.2	Western European Market Development of Automation Hardware by Process Industries until 2010	8.3
8.1.3	Western European Market Development of Automation Standard Software and Services by Process Industries until 2010	8.3
8.2	Eastern European Market Development of Automation Products and External Services by Process Industries until 2010 - Project and Operation Phase/External Demand	8.7
8.2.1	General Overview	8.7
8.2.2	Eastern European Market Development of Automation Hardware by Process Industries until 2010	8.7
8.2.3	Eastern European Market Development of Automation Standard Software and Services by Process Industries until 2010	8.7
8.3	North American Market Development of Automation Products and External Services by Process Industry Sectors until 2010 - Project and Operation Phases/External Demand	8.11
8.3.1	General Overview	8.11
8.3.2	North American Market Development of Automation Hardware by Process Industries until 2010	8.11
8.3.3	North American Market Development of Automation Standard Software and Services by Process Industries until 2010	8.11
8.4	South American Market Development for Automation Products and External Services by Process Industry Sectors until 2010 - Project and Operation Phases/External Demand	8.15
8.4.1	General Overview	8.15
8.4.2	South American Market Development of Automation Hardware by Process Industries until 2010	8.15

8.4.3	South American Market Development of Automation Standard Software and Services by Process Industries until 2010	8.15
8.5	Asian Pacific Market Development of Automation Products and External Services by Process Industries until 2010 - Project and Operation Phases/External Demand	8.19
8.5.1	General Overview	8.19
8.5.2	Asian Pacific Market Development of Automation Hardware by Process Industries until 2010	8.19
8.5.3	Asian Pacific Market Development of Automation Standard Software and Services by Process Industries until 2010	8.19
8.6	Rest of the World Market Development of Automation Products and External Services by Process Industry Sectors until 2010 - Project and Operation Phases/External Demand	8.23
8.6.1	General Overview	8.23
8.6.2	Rest of the World Market Development of Automation Hardware by Process Industries until 2010	8.23
8.6.3	Rest of the World Market Development of Automation Standard Software and Services by Process Industries until 2010	8.23
9	MINING	9.1
9.1	Mining - Basics	9.3
9.1.1	Scope and Definitions	9.3
9.1.2	Non-integrated and Integrated Mining Companies	9.5
9.1.3	Stimulating Factors and Barriers	9.6
9.2	Worldwide Production Development in Mining until 2010	9.9
9.2.1	Overview	9.9
9.2.2	Fuel Minerals	9.9
9.2.3	Non-Fuel Minerals	9.11
9.3	Worldwide Development of Capital Expenditures in Mining until 2010	9.17
9.3.1	Overview	9.17
9.3.2	Capital Expenditures in Fuel Minerals Mining	9.18
9.3.3	Capital Expenditures in Non-Fuel Minerals Mining	9.21
9.3.4	Production Investments in Mining	9.23

9.3.5	Production Investments by Types of Investments	9.24
9.3.6	External Project and Maintenance Expenditures by Supplier Structure	9.24
9.4	Worldwide Development of Automation Markets in Mining until 2010	9.35
9.4.1	Share of Automation in Mining Industry Production Investments	9.35
9.4.2	Automation Trends in Mining	9.36
9.4.3	Worldwide Market Development of Automation in Mining until 2010: Overall Market – External Demand	9.38
9.4.4	Worldwide Market Development of Automation in Mining until 2010 - Overall Market/External & Internal Demand	9.38
9.4.5	Worldwide Market Development of Automation in Mining until 2010 – Project Phase	9.38
9.4.6	Worldwide Market Development of Automation in Mining until 2010 – Operation Phase	9.39
9.4.7	Worldwide Market Development of Automation in Mining until 2010 – Core Versus Auxiliary Processes	9.39
9.4.8	Worldwide Market Development of Automation Hardware in Mining until 2010	9.39
9.4.9	Worldwide Market Development of Control Level Hardware in Mining until 2010	9.40
9.4.10	Worldwide Market Development of Instrumentation Level Hardware in Mining until 2010	9.40
9.4.11	Worldwide Market Development of Automation Software in Mining until 2010	9.41
9.4.12	Worldwide Market Development of Automation Services in Mining until 2010	9.41
9.4.13	Worldwide Market Development of Automation in Mining until 2010 - Segmentation by Subsectors	9.42
9.4.14	Worldwide Automation Market in Mining in 2000 - Segmentation by Distribution Channels	9.42
10	OIL & GAS INDUSTRIES	10.1
10.1	Oil & Gas - Basics	10.3
10.1.1	Scope and Definitions	10.3
10.1.2	Overall Trends	10.6
10.1.3	Stimulating Factors and Barriers	10.11

10.2	Worldwide Production Development in the Oil & Gas Industries until 2010	10.13
10.2.1	Overview	10.13
10.2.2	Oil	10.14
10.2.3	Gas	10.15
10.3	Worldwide Development of Capital Expenditures in the Oil & Gas Industries until 2010	10.21
10.3.1	Overview	10.21
10.3.2	Capital Expenditures in Oil Production	10.21
10.3.3	Capital Expenditures in Gas Production	10.23
10.3.4	Production Investments in Oil & Gas	10.24
10.3.5	Production Investments by Types of Investments	10.26
10.3.6	External Project and Maintenance Expenditures by Supplier Structure	10.26
10.4	Worldwide Development of Automation Markets in the Oil & Gas Industries until 2010	10.37
10.4.1	Share of Automation in Oil & Gas Production Investments	10.37
10.4.2	Automation Trends in the Oil & Gas Industry	10.37
10.4.3	Worldwide Market Development of Automation in the Oil & Gas Industry until 2010 - Overall Market/External Demand	10.39
10.4.4	Worldwide Market Development of Automation in the Oil & Gas Industry until 2010 - Overall Market/External & Internal Demand	10.39
10.4.5	Worldwide Market Development of Automation in the Oil & Gas Industry until 2010 – Project Phase	10.39
10.4.6	Worldwide Market Development of Automation in the Oil & Gas Industry until 2010 – Operation Phase	10.40
10.4.7	Worldwide Market Development of Automation in the Oil & Gas Industry until 2010 - Core Versus Auxiliary Processes	10.40
10.4.8	Worldwide Market Development of Automation Hardware in the Oil & Gas Industry until 2010	10.40
10.4.9	Worldwide Market Development of Control Level Hardware in the Oil & Gas Industry until 2010	10.41
10.4.10	Worldwide Market Development of Instrumentation Level Hardware in the Oil & Gas Industry until 2010	10.41
10.4.11	Worldwide Market Development of Automation Software in the Oil & Gas Industry until 2010	10.42
10.4.12	Worldwide Market Development of Automation Services in the Oil & Gas Industry until 2010	10.42

10.4.13	Worldwide Market Development of Automation in the Oil & Gas Industry until 2010 - Segmentation by Subsectors	10.43
10.4.14	Worldwide Automation Market of the Oil & Gas Industry in 2000 - Segmentation by Distribution Channels	10.43
11	STONES & EARTHS	11.1
11.1	Stones & Earths - Basics	11.3
11.1.1	Scope and Definitions	11.3
11.1.2	Overall Trends	11.5
11.1.3	Stimulating Factors and Barriers	11.6
11.2	Worldwide Production Development in Stones & Earths until 2010	11.7
11.2.1	Overview	11.7
11.2.2	Construction Materials and Products	11.8
11.2.3	Fine Ceramics & Glasses	11.9
11.3	Worldwide Development of Capital Expenditures in Stones & Earths until 2010	11.15
11.3.1	Overview	11.15
11.3.2	Capital Expenditures in Construction Materials	11.15
11.3.3	Capital Expenditures in Fine Ceramics & Glasses	11.16
11.3.4	Production Investments in Stones & Earths	11.16
11.3.5	Production Investments by Types of Investments	11.18
11.3.6	External Project and Maintenance Expenditures by Supplier Structure	11.18
11.4	Worldwide Development of Automation Markets in Stones & Earths until 2010	11.1
11.4.1	Share of Automation in Stones & Earths' Production Investments	11.29
11.4.2	Automation Trends in Stones & Earths	11.29
11.4.3	Worldwide Market Development of Automation in Stones & Earths until 2010 - Overall Market/External Demand	11.31
11.4.4	Worldwide Market Development of Automation in Stones & Earths until 2010 - Overall Market/External & Internal Demand	11.32
11.4.5	Worldwide Market Development of Automation in Stones & Earths until 2010 – Project Phase	11.32

11.4.6	Worldwide Market Development of Automation in Stones & Earths until 2010 – Operation Phase	11.32
11.4.7	Worldwide Market Development of Automation in Stones & Earths until 2010 - Core Versus Auxiliary Processes	11.33
11.4.8	Worldwide Market Development of Automation Hardware in Stones & Earths until 2010	11.33
11.4.9	Worldwide Market Development of Control Level Hardware in Stones & Earths until 2010	11.33
11.4.10	Worldwide Market Development of Instrumentation Level Hardware in Stones & Earths until 2010	11.34
11.4.11	Worldwide Market Development of Automation Software in Stones & Earths until 2010	11.34
11.4.12	Worldwide Market Development of Automation Services in Stones & Earths until 2010	11.35
11.4.13	Worldwide Market Development of Automation in the Stones & Earths Industry until 2010 - Segmentation by Subsectors	11.36
11.4.14	Worldwide Automation Market in the Stones & Earths Industry in 2000 - Segmentation by Distribution Channels	11.36
12	METAL INDUSTRY	12.1
12.1	Metal Industry - Basics	12.3
12.1.1	Scope and Definitions	12.3
12.1.2	Overall Trends	12.5
12.1.2.1	Iron Production	12.5
12.1.2.2	Steel Production	12.6
12.1.2.3	Integrated Mills	12.6
12.1.2.4	Minimills	12.7
12.1.2.5	Casting	12.8
12.1.2.6	Rolling	12.10
12.1.2.7	Surface Treatment	12.11
12.1.2.8	"Boutique" Mills	12.12
12.1.2.9	Aluminum	12.12
12.1.3	Stimulating Factors and Barriers	12.13
12.2	Worldwide Production Development in the Metal Industry until 2010	12.15
12.2.1	Overview	12.15
12.2.2	Iron and Steel	12.15

12.2.3	Non-Ferrous Metals	12.18
12.3	Worldwide Development of Capital Expenditures in the Metal Industry until 2010	12.24
12.3.1	Overview	12.24
12.3.2	Capital Expenditures in Iron and Steel	12.25
12.3.3	Capital Expenditures in Non-Ferrous Metals	12.25
12.3.4	Production Investments in Metal Production	12.26
12.3.5	Production Investments by Types of Investments	12.27
12.3.6	External Project and Maintenance Expenditures by Supplier Structure	12.27
12.4	Worldwide Development of Automation Markets in the Metal Producing Industry until 2010	12.38
12.4.1	Share of Automation in Metal Industry Production Investments	12.38
12.4.2	Automation Trends in Metal Production	12.38
12.4.3	Worldwide Market Development of Automation in the Metal Producing Industry until 2010 - Overall Market/External Demand	12.40
12.4.4	Worldwide Market Development of Automation in the Metal Producing Industry until 2010 - Overall Market/External & Internal Demand	12.40
12.4.5	Worldwide Market Development of Automation in the Metal Producing Industry until 2010 – Project Phase	12.40
12.4.6	Worldwide Market Development of Automation in the Metal Producing Industry until 2010 – Operation Phase	12.41
12.4.7	Worldwide Market Development of Automation in the Metal Producing Industry until 2010 - Core Versus Auxiliary Processes	12.41
12.4.8	Worldwide Market Development of Automation Hardware in the Metal Producing Industry until 2010	12.41
12.4.9	Worldwide Market Development of Control Level Hardware in the Metal Producing Industry until 2010	12.42
12.4.10	Worldwide Market Development of Instrumentation Level Hardware in the Metal Producing Industry until 2010	12.42
12.4.11	Worldwide Market Development of Automation Software in the Metal Producing Industry until 2010	12.43
12.4.12	Worldwide Market Development of Automation Services in the Metal Producing Industry until 2010	12.43
12.4.13	Worldwide Market Development of Automation in the Metal Industry until 2010 - Segmentation by Subsectors	12.44
12.4.14	Worldwide Automation Market of the Metal Industry in 2000 - Segmentation by Distribution Channels	12.45

13	CHEMICAL INDUSTRIES	13.1
13.1	Chemical Industry - Basics	13.3
13.1.1	Scope and Definitions	13.3
13.1.2	Overall Trends	13.4
13.1.3	Stimulating Factors and Barriers	13.10
13.2	Worldwide Production Development in the Chemical Industry until 2010	13.14
13.2.1	Overview	13.14
13.2.2	Bulk Chemicals	13.15
13.2.3	Fine & Specialty Chemicals	13.15
13.3	Worldwide Development of Capital Expenditures in the Chemical Industry until 2010	13.22
13.3.1	Overview	13.22
13.3.2	Capital Expenditures for Bulk Chemicals	13.22
13.3.3	Fine and Specialty Chemicals	13.23
13.3.4	Production Investments in the Chemical Industry	13.33
13.3.5	Production Investments by Types of Investments	13.27
13.3.6	External Project and Maintenance Expenditures by Supplier Structure	13.27
13.4	Worldwide Development of Automation Markets in the Chemical Industry until 2010	13.38
13.4.1	Share of Automation in Chemical Industry Production Investments	13.38
13.4.2	Automation Trends in Chemical Production	13.38
13.4.3	Worldwide Market Development of Automation in the Chemical Industry until 2010 - Overall Market/External Demand	13.40
13.4.4	Worldwide Market Development of Automation in the Chemical Industry until 2010 - Overall Market/External & Internal Demand	13.40
13.4.5	Worldwide Market Development of Automation in the Chemical Industry until 2010 – Project Phase	13.41
13.4.6	Worldwide Market Development of Automation in the Chemical Industry until 2010 – Operation Phase	13.41
13.4.7	Worldwide Market Development of Automation in the Metal Producing Industry until 2010 - Core Versus Auxiliary Processes	13.41
13.4.8	Worldwide Market Development of Automation Hardware in the Chemical Industry until 2010	13.42

13.4.9	Worldwide Market Development of Control Level Hardware in the Chemical Industry until 2010	13.42
13.4.10	Worldwide Market Development of Instrumentation Level Hardware in the Chemical Industry until 2010	13.43
13.4.11	Worldwide Market Development of Automation Software in the Chemical Industry until 2010	13.43
13.4.12	Worldwide Market Development of Automation Services in the Chemical Industry until 2010	13.44
13.4.13	Worldwide Market Development of Automation in the Chemical Industry until 2010 - Segmentation by Subsections	13.44
13.4.14	Worldwide Automation Market of the Chemical Industry in 2000 - Segmentation by Distribution Channels	13.45
14	PHARMACEUTICAL INDUSTRY	14.1
14.1	Pharmaceutical Industry - Basics	14.3
14.1.1	Scope and Definitions	14.3
14.1.2	Overall Trends	14.4
14.1.3	Stimulating Factors and Barriers	14.7
14.2	Worldwide Production Development in the Pharmaceutical Industry until 2010	14.8
14.2.1	Overview	14.8
14.2.2	Pharmaceutical Preparations	14.9
14.2.3	Active Agents	14.10
14.2.4	Diagnostics	14.10
14.2.5	Biological Materials	14.11
14.2.6	Veterinary Pharmaceuticals	14.11
14.2.7	Pharmaceuticals Produced by Biotechnological Means	14.12
14.3	Worldwide Development of Capital Expenditures in the Pharmaceutical Industry until 2010	14.18
14.3.1	Overview	14.18
14.3.2	Capital Expenditures for Conventionally Produced Pharmaceuticals	14.19
14.3.3	Capital Expenditures for Biotechnology-Based Pharmaceuticals	14.20
14.3.4	Production Investments in Pharmaceuticals	14.21
14.3.5	Production Investments by Types of Investments	14.22

14.3.6	External Project and Maintenance Expenditures by Supplier Structure	14.22
14.4	Worldwide Development of Automation Markets in the Pharmaceutical Industry until 2010	14.33
14.4.1	Share of Automation in Pharmaceutical Industry Production Investments	14.33
14.4.2	Automation Trends in Pharmaceutical Production	14.33
14.4.3	Worldwide Market Development of Automation in the Pharmaceutical Industry until 2010 - Overall Market/External Demand	14.35
14.4.4	Worldwide Market Development of Automation in the Pharmaceutical Industry until 2010 - Overall Market/External & Internal Demand	14.36
14.4.5	Worldwide Market Development of Automation in the Pharmaceutical Industry until 2010 – Project Phase	14.36
14.4.6	Worldwide Market Development of Automation in the Pharmaceutical Industry until 2010 – Operation Phase	14.36
14.4.7	Worldwide Market Development of Automation in the Pharmaceutical Industry until 2010 - Core Versus Auxiliary Processes	14.37
14.4.8	Worldwide Market Development of Automation Hardware in the Pharmaceutical Industry until 2010	14.37
14.4.9	Worldwide Market Development of Control Level Hardware in the Pharmaceutical Industry until 2010	14.37
14.4.10	Worldwide Market Development of Instrumentation Level Hardware in the Pharmaceutical Industry until 2010	14.38
14.4.11	Worldwide Market Development of Automation Software in the Pharmaceutical Industry until 2010	14.38
14.4.12	Worldwide Market Development of Automation Services in the Pharmaceutical Industry until 2010	14.39
14.4.13	Worldwide Market of Automation in the Pharmaceutical Industry in 2000 - Segmentation by Subsectors	14.40
14.4.14	Worldwide Market of Automation in the Pharmaceutical Industry in 2000 - Segmentation by Distribution Channels	14.41
15	PETROINDUSTRY	15.1
15.1	Petroindustry - Basics	15.3
15.1.1	Scope and Definitions	15.3
15.1.2	Overall Trends	15.6

15.1.3	Stimulating Factors and Barriers	15.8
15.2	Worldwide Production Development in the Petroindustry until 2010	15.10
15.2.1	Overview	15.10
15.2.2	Refineries	15.11
15.2.3	Petrochemical Industry	15.12
15.3	Worldwide Development of Capital Expenditures in the Petroindustry until 2010	15.19
15.3.1	Overview	15.19
15.3.2	Capital Expenditures in Refineries	15.19
15.3.3	Capital Expenditures in Petrochemicals	15.20
15.3.4	Production Investments in the Petroindustry	15.20
15.3.5	Production Investments by Types of Investments	15.22
15.3.6	External Project and Maintenance Expenditures by Supplier Structure	15.23
15.4	Worldwide Development of Automation Markets in the Petroindustry until 2010	15.34
15.4.1	Share of Automation in Petroindustry Production Investments	15.34
15.4.2	Automation Trends in the Petroindustry	15.34
15.4.3	Worldwide Market Development of Automation in the Petroindustry until 2010 - Overall Market/External Demand	15.37
15.4.4	Worldwide Market Development of Automation in the Petroindustry until 2010 - Overall Market/External & Internal Demand	15.37
15.4.5	Worldwide Market Development of Automation in the Petroindustry until 2010 – Project Phase	15.37
15.4.6	Worldwide Market Development of Automation in the Petroindustry until 2010 – Operation Phase	15.38
15.4.7	Worldwide Market Development of Automation in the Petroindustry until 2010 - Core Versus Auxiliary Processes	15.38
15.4.8	Worldwide Market Development of Automation Hardware in the Petroindustry until 2010	15.38
15.4.9	Worldwide Market Development of Control Level Hardware in the Petroindustry until 2010	15.39
15.4.10	Worldwide Market Development of Instrumentation Level Hardware in the Petroindustry until 2010	15.39
15.4.11	Worldwide Market Development of Automation Software in the Petroindustry until 2010	15.40

15.4.12	Worldwide Market Development of Automation Services in the Petroindustry until 2010	15.40
15.4.13	Worldwide Market Development of Automation in the Petroindustry until 2010 - Segmentation by Subsectors	15.41
15.4.14	Worldwide Automation Market of the Petroindustry in 2000 - Segmentation by Distribution Channels	15.41
16	PULP AND PAPER INDUSTRY	16.1
16.1	Pulp & Paper Industry - Basics	16.3
16.1.1	Scope and Definitions	16.3
16.1.2	Overall Trends	16.5
16.1.3	Stimulating Factors and Barriers	16.5
16.2	Worldwide Production Development in the Pulp & Paper Industry until 2010	16.7
16.2.1	Overview	16.7
16.2.2	Pulp Industry	16.8
16.2.3	Paper and Paperboard Industry	16.9
16.3	Worldwide Development of Capital Expenditures in the Pulp & Paper Industry until 2010	16.15
16.3.1	Overview	16.15
16.3.2	Capital Expenditures in Pulp Production	16.15
16.3.3	Capital Expenditures in Paper & Paperboard Production	16.33
16.3.4	Production Investments in Pulp & Paper Production	16.16
16.3.5	Production Investments by Types of Investments	16.17
16.3.6	External Project and Maintenance Expenditures by Supplier Structure	16.18
16.4	Worldwide Development of Automation Markets in the Pulp & Paper Industry until 2010	16.29
16.4.1	Share of Automation in Pulp & Paper Industry's Production Investments	16.29
16.4.2	Automation Trends in the Pulp & Paper Industry	16.29
16.4.3	Worldwide Market Development of Automation in the Pulp & Paper Industry until 2010 - Overall Market/External Demand	16.32

16.4.4	Worldwide Market Development of Automation in the Pulp & Paper Industry until 2010 - Overall Market/External & Internal Demand	16.32
16.4.5	Worldwide Market Development of Automation in the Pulp & Paper Industry until 2010 – Project Phase	16.32
16.4.6	Worldwide Market Development of Automation in the Pulp & Paper Industry until 2010 – Operation Phase	16.33
16.4.7	Worldwide Market Development of Automation in the Pulp & Paper Industry until 2010 - Core Versus Auxiliary Processes	16.33
16.4.8	Worldwide Market Development of Automation Hardware in the Pulp & Paper Industry until 2010	16.33
16.4.9	Worldwide Market Development of Control Level Hardware in the Pulp & Paper Industry until 2010	16.34
16.4.10	Worldwide Market Development of Instrumentation Level Hardware in the Pulp & Paper Industry until 2010	16.34
16.4.11	Worldwide Market Development of Automation Software in the Pulp & Paper Industry until 2010	16.35
16.4.12	Worldwide Market Development of Automation Services in the Pulp & Paper Industry until 2010	16.35
16.4.13	Worldwide Market Development of Automation in the Pulp & Paper Industry until 2010 - Segmentation by Subsectors	16.36
16.4.14	Worldwide Automation Market in the Pulp & Paper Industry in 2000 - Segmentation by Distribution Channels	16.37
17	FOOD & BEVERAGES INDUSTRY	17.1
17.1	Food & Beverages Industry - Basics	17.3
17.1.1	Scope and Definitions	17.3
17.1.2	Overall Trends	17.4
17.1.3	Stimulating Factors and Barriers	17.6
17.2	Worldwide Production Development in the Food & Beverages Industry until 2010	17.7
17.2.1	General Overview	17.7
17.2.2	Basic Food	17.8
17.2.3	Food Narrow Sense	17.8
17.2.4	Beverages	17.9
17.2.5	Feed	17.9
17.2.6	Tobacco	17.10

17.3	Worldwide Development of Capital Expenditures in the Food & Beverages Industry until 2010	17.16
17.3.1	Overall	17.16
17.3.2	Capital Expenditures in Basic Food Production	17.17
17.3.3	Capital Expenditures in Food Narrow Sense Production	17.17
17.3.4	Capital Expenditures in Beverages Production	17.18
17.3.5	Capital Expenditures in Feed Production	17.18
17.3.6	Capital Expenditures in Tobacco Production	17.18
17.3.7	Production Investments in Food & Beverages	17.19
17.3.8	Production Investments by Types of Investments	17.19
17.3.9	External Project and Maintenance Expenditures by Supplier Structure	17.21
17.4	Worldwide Development of Automation Markets in the Food & Beverages Industry until 2010	17.32
17.4.1	Share of Automation in Food & Beverages Industry Investments	17.32
17.4.2	Automation Trends in the Food & Beverages Industry	17.32
17.4.3	Worldwide Market Development of Automation in the Food & Beverages Industry until 2010 - Overall Market/External Demand	17.35
17.4.4	Worldwide Market Development of Automation in the Food & Beverages Industry until 2010 - Overall Market/External & Internal Demand	17.36
17.4.5	Worldwide Market Development of Automation in the Food & Beverages Industry until 2010 – Project Phase	17.36
17.4.6	Worldwide Market Development of Automation in the Food & Beverages Industry until 2010 – Operation Phase	17.36
17.4.7	Worldwide Market Development of Automation in the Food & Beverages Industry until 2010 - Core Versus Auxiliary Processes	17.37
17.4.8	Worldwide Market Development of Automation Hardware in the Food & Beverages Industry until 2010	17.37
17.4.9	Worldwide Market Development of Control Level Hardware in the Food & Beverages Industry until 2010	17.37
17.4.10	Worldwide Market Development of Instrumentation Level Hardware in the Food & Beverages Industry until 2010	17.38
17.4.11	Worldwide Market Development of Automation Software in the Food & Beverages Industry until 2010	17.38
17.4.12	Worldwide Market Development of Automation Services in the Food & Beverages Industry until 2010	17.39
17.4.13	Worldwide Market Development of Automation in the Food & Beverages Industry until 2010 - Segmentation by Subsectors	17.39

17.4.14	Worldwide Automation Market in the Food & Beverages Industry in 2000 - Segmentation by Distribution Channels	17.41
18	POWER GENERATION	18.1
18.1	Power Generation - Scope and Definitions	18.3
18.1.1	Scope and Definitions	18.3
18.1.2	Overall Trends	18.6
18.1.3	Stimulating Factors and Barriers	18.7
18.2	Worldwide Production Development in Power Generation until 2010	18.9
18.2.1	Overview	18.9
18.2.2	Central Power Generation	18.10
18.2.3	Distributed Power Generation	18.12
18.3	Worldwide Development of Capital Expenditures in Power Generation until 2010	18.18
18.3.1	Overview	18.18
18.3.2	Capital Expenditures in Central Power Generation	18.18
18.3.3	Capital Expenditures in Distributed & Standby Power Generation	18.19
18.3.4	Production Investments in Power Generation	18.20
18.3.5	Production Investments by Types of Investments	18.21
18.3.6	External Project and Maintenance Expenditures by Supplier Structure	18.21
18.4	Worldwide Development of Automation Markets in Power Generation until 2010	18.33
18.4.1	Share of Automation in Power Generation Project Costs	18.33
18.4.2	Automation Trends in Power Generation	18.33
18.4.3	Worldwide Market Development of Automation in Power Generation until 2010 - Overall Market/External Demand	18.36
18.4.4	Worldwide Market Development of Automation in Power Generation until 2010 - Overall Market/External & Internal Demand	18.36
18.4.5	Worldwide Market Development of Automation in Power Generation until 2010 – Project Phase	18.36
18.4.6	Worldwide Market Development of Automation in Power Generation until 2010 – Operation Phase	18.37

18.4.7	Worldwide Market Development of Automation in Power Generation until 2010 - Core Versus Auxiliary Processes	18.37
18.4.8	Worldwide Market Development of Automation Hardware in Power Generation until 2010	18.37
18.4.9	Worldwide Market Development of Control Level Hardware in Power Generation until 2010	18.38
18.4.10	Worldwide Market Development of Instrumentation Level Hardware in Power Generation until 2010	18.38
18.4.11	Worldwide Market Development of Automation Software in Power Generation until 2010	18.39
18.4.12	Worldwide Market Development of Automation Services in Power Generation until 2010	18.39
18.4.13	Worldwide Market Development of Automation in Power Generation until 2010 - Segmentation by Subsectors	18.40
18.4.14	Worldwide Automation Market in Power Generation in 2000 - Segmentation by Distribution Channels	18.42
19	ENVIRONMENTAL PROTECTION	19.1
19.1	Environmental Protection - Basics	19.3
19.1.1	Scope and Definitions	19.3
19.1.2	Overall Trends	19.5
19.1.3	Stimulating Factors and Barriers	19.7
19.2	Worldwide Production Development in Environmental Protection until 2010	19.9
19.2.1	Overview	19.9
19.2.2	Fresh Water	19.10
19.2.3	Waste Water	19.10
19.2.4	Solid Waste	19.10
19.2.5	Exhaust Air	19.11
19.3	Worldwide Development of Capital Expenditures in Environmental Protection until 2010	19.17
19.3.1	Overview	19.17
19.3.2	Fresh & Waste Water	19.17
19.3.3	Solid Waste & Exhaust Air	19.18
19.3.4	Production Investments in Environmental Protection	19.19
19.3.5	Production Investments by Types of Investments	19.20

19.3.6	External Project and Maintenance Expenditures by Supplier Structure	19.21
19.4	Worldwide Development of Automation Markets in Environmental Protection (Excluding Process Industries and Excluding Recycling) until 2010	19.32
19.4.1	Share of Automation in Environmental Protection Production Investments	19.32
19.4.2	Automation Trends in Environmental Protection	19.32
19.4.3	Worldwide Market Development of Automation in Environmental Protection until 2010 - Overall Market/External Demand	19.34
19.4.4	Worldwide Market Development of Automation in Environmental Protection until 2010 - Overall Market/External & Internal Demand	19.34
19.4.5	Worldwide Market Development of Automation in Environmental Protection until 2010 – Project Phase	19.34
19.4.6	Worldwide Market Development of Automation in Environmental Protection until 2010 – Operation Phase	19.35
19.4.7	Worldwide Market Development of Automation Hardware in Environmental Protection until 2010 - Core Versus Auxiliary Processes	19.35
19.4.8	Worldwide Market Development of Automation Hardware in Environmental Protection until 2010	19.36
19.4.9	Worldwide Market Development of Control Level Hardware in Environmental Protection until 2010	19.36
19.4.10	Worldwide Market Development of Instrumentation Level Hardware in Environmental Protection until 2010	19.36
19.4.11	Worldwide Market Development of Automation Software in Environmental Protection until 2010	19.37
19.4.12	Worldwide Market Development of Automation Services in Environmental Protection until 2010	19.38
19.4.13	Worldwide Market Development of Automation in Environmental Protection until 2010 - Segmentation by Subsectors	19.38
19.4.14	Worldwide Automation Market of Environmental Protection in 2000- Segmentation by Distribution Channels	19.39
